Hunter Mill Highlights is my electronic monthly newsletter. Please share this issue with your organizations. To be added to our mailing list, e-mail me at huntermill@fairfaxcounty.gov

Dear Hunter Mill Friends,

This isn't an easy message to deliver and I can only say that on my watch, changes will be investigated and made. Of course, I am talking about the John Geer shooting case and the questionable way in which the public disclosure process has played out.

At our last meeting, the Fairfax County Board of Supervisors (BOS) responded to public concern about that process. The Board voted to hire an outside expert to assist in reviewing existing policy and recommend revisions regarding disclosure procedure in "officer-involved shootings and other serious incidents involving the police department".

I have nothing but respect and appreciation of our Fairfax County Police Department. Our county benefits greatly from their enforcement and protection. And it is often personally dangerous work.

But questions are being asked – have been for more than 16 months – to the detriment of the Geer family, the police department, and the judicial system. Moreover, I remain convinced of the accuracy of the 1954 statement, "Justice delayed is justice denied" and that is not acceptable in Fairfax County or anywhere else. It is past time to release information on this case and do everything possible to bring transparency to the actions of the police department's role in the Geer case.

With a specific February/March timeframe to commence the necessary work towards a reasonable balance between the public's right to know and the respect due the police investigation and officer safety, I am optimistic that the Board will achieve the balance and establish appropriate policy.

Your input is important to me. I would appreciate hearing from you.

Reston National Golf Course Public Hearing: January 21

Back in November 2013, RN Golf Management, LLC, also identified as Reston National Golf Course, requested the reactivation of their appeal (A 2015-HM-020) and a public hearing date before the Board of Zoning Appeals (BZA). The appeal is of a determination made by the Fairfax County Zoning Administrator that any redevelopment of the property located at 11875 Sunrise Valley Drive and 2018 Soapstone Drive, Reston, for uses other than a golf course or open space would require an amendment to the Reston Master Plan, approval of a Development Plan Amendment, and approval of a PRC plan from the Board of Supervisors. Supervisor Hudgins continues to support the Fairfax County Zoning Administrator's determination.

Under Virginia Code, all appeals regarding Zoning Administrator interpretations are conducted by the BZA. **The public hearing for this appeal has been scheduled for Wednesday, January 21, 2015, at 9:00 a.m.** The agenda is available by email to clerktoBZA@fairfaxcounty.gov in advance of the meeting.

Transportation

Take That Snow and Shovel It Community Campaign

As we enter the winter weather months, one of the most common inquiries to Fairfax County Board of Supervisors offices is sidewalk clearing during snow events. Fairfax County does not have a sidewalk snow removal ordinance that would mandate residences clear pedestrian pathways around their homes or businesses. As we continue to expand our pedestrian network, pathways become important for neighborhood connectivity during the winter months.

Virginia Department of Transportation (VDOT) is responsible for snow removal on all public roadways but VDOT does not provide snow removal for pedestrian pathways. It is important for neighborhoods and homeowners associations to work together to help clear pedestrian pathways around community areas such as schools, bus stops, and fire hydrants. Our office is working with VDOT to make sure the piles of snow amassed during clearing operations are not dumped onto pathways.

To encourage dialogue about sidewalk snow removal and help community members plan for the upcoming winter, Fairfax County Board of Supervisors and the Office of Public Affairs have created a new public awareness campaign. The public awareness campaign is entitled “**Take That Snow and Shovel It**”. The website address is www.fairfaxcounty.gov/shovel. Our new web site provides information and resources for community members to tackle removing snow. Ultimately, sidewalk snow removal will be a community effort.

Fairfax Connector Proposed RIBS Changes: Routes 928, 937, and Tysons Service

Changes to Fairfax Connector routes in Reston, Herndon and Tysons are proposed to take place in Spring 2015 to improve on-time performance, enhance connectivity between routes, serve new destinations, and provide more direct service for the majority of passengers. Recommendations included in this proposal are in response to continued changes in ridership and travel patterns since the start of Silver Line Metrorail service in July 2014. Proposed changes include:

- Schedule adjustments to RIBS 1 and RIBS 3 service to improve on-time performance;
- Route and schedule adjustments to RIBS 2, RIBS 4, RIBS 5, and Routes 928 and 937 to provide new and more direct connections in Herndon and Reston;
- Route and schedule adjustments to Tysons Circulator Routes 422, 423, and 424 to provide more direct connections and bi-directional service to the majority of passengers connecting with Silver Line. Don't Fall for "Pay or Lose" Scam!

Police are warning residents, in particular concern of recent frigid weather, of a scam that has re-surfaced in Fairfax County neighborhoods in recent weeks. Victims report that someone claiming to be a power company employee contacts them and states their power will be cut off if they do not pay their "overdue" bill immediately.

Recently, a woman who owns a business in the Springfield area received a phone call advising that her electric bill was overdue and demanded that she "go to a CVS or a 7-Eleven" to purchase a green DOT card in the amount of \$499.98 which allegedly was the amount of the bill. The victim had recently paid her power bill. She checked with her bank, contacted Dominion Power and verified the payment. When she called the suspect back, he became mad and yelled at her. Fortunately, this victim wasn't fooled, hurt, or financially victimized.

Please help make others aware of this scam. Suspects can be convincing and often people "fall" for this in fear of being cold and without power. More information on this particular scam may be found at <https://www.dom.com/business/dominion-virginia-power/news/news-releases/136963>
